## ABOUT

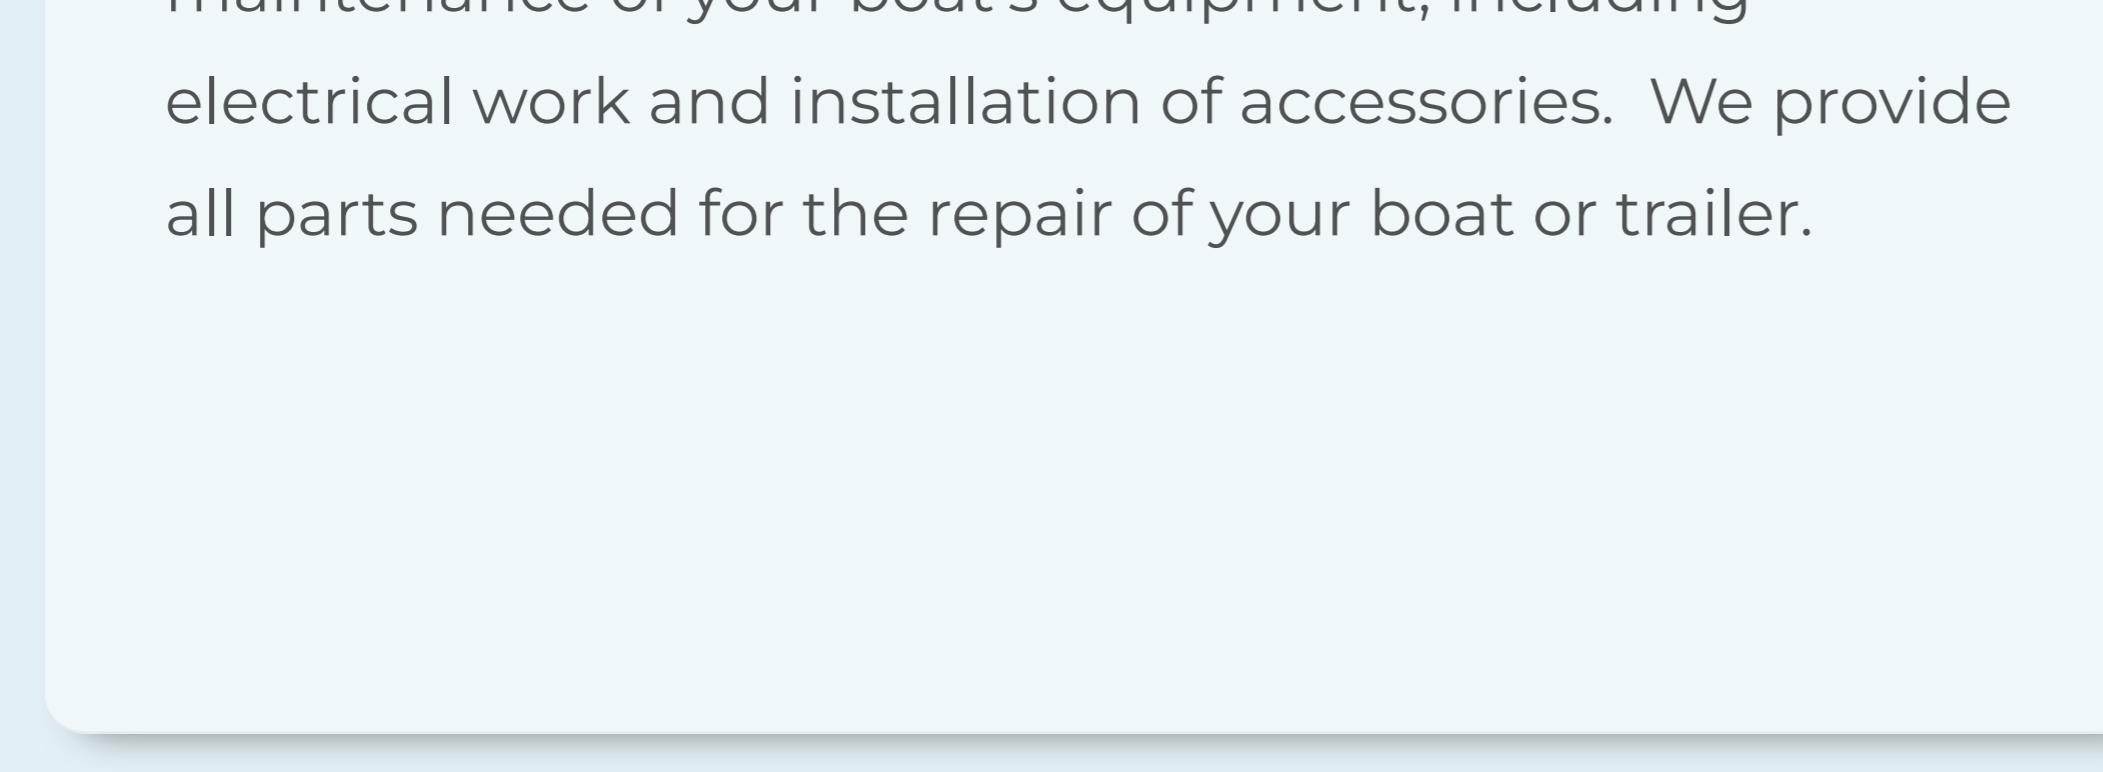

### A New and Improved Marine Experience

We have combined over 40 years of marine repair service with a facility that allows us to fully respond to all your marine service needs. Roy's Marine acquired the previous Mattson's Bay Marine facility and became Miller Bay Marine. With a 7200 square foot facility with boat storage, docks and a boat ramp, our expert crew can provide all the care and support required for your motorboating needs. Our team at Miller Bay Marine will keep you enjoying all the Puget Sound has to offer.

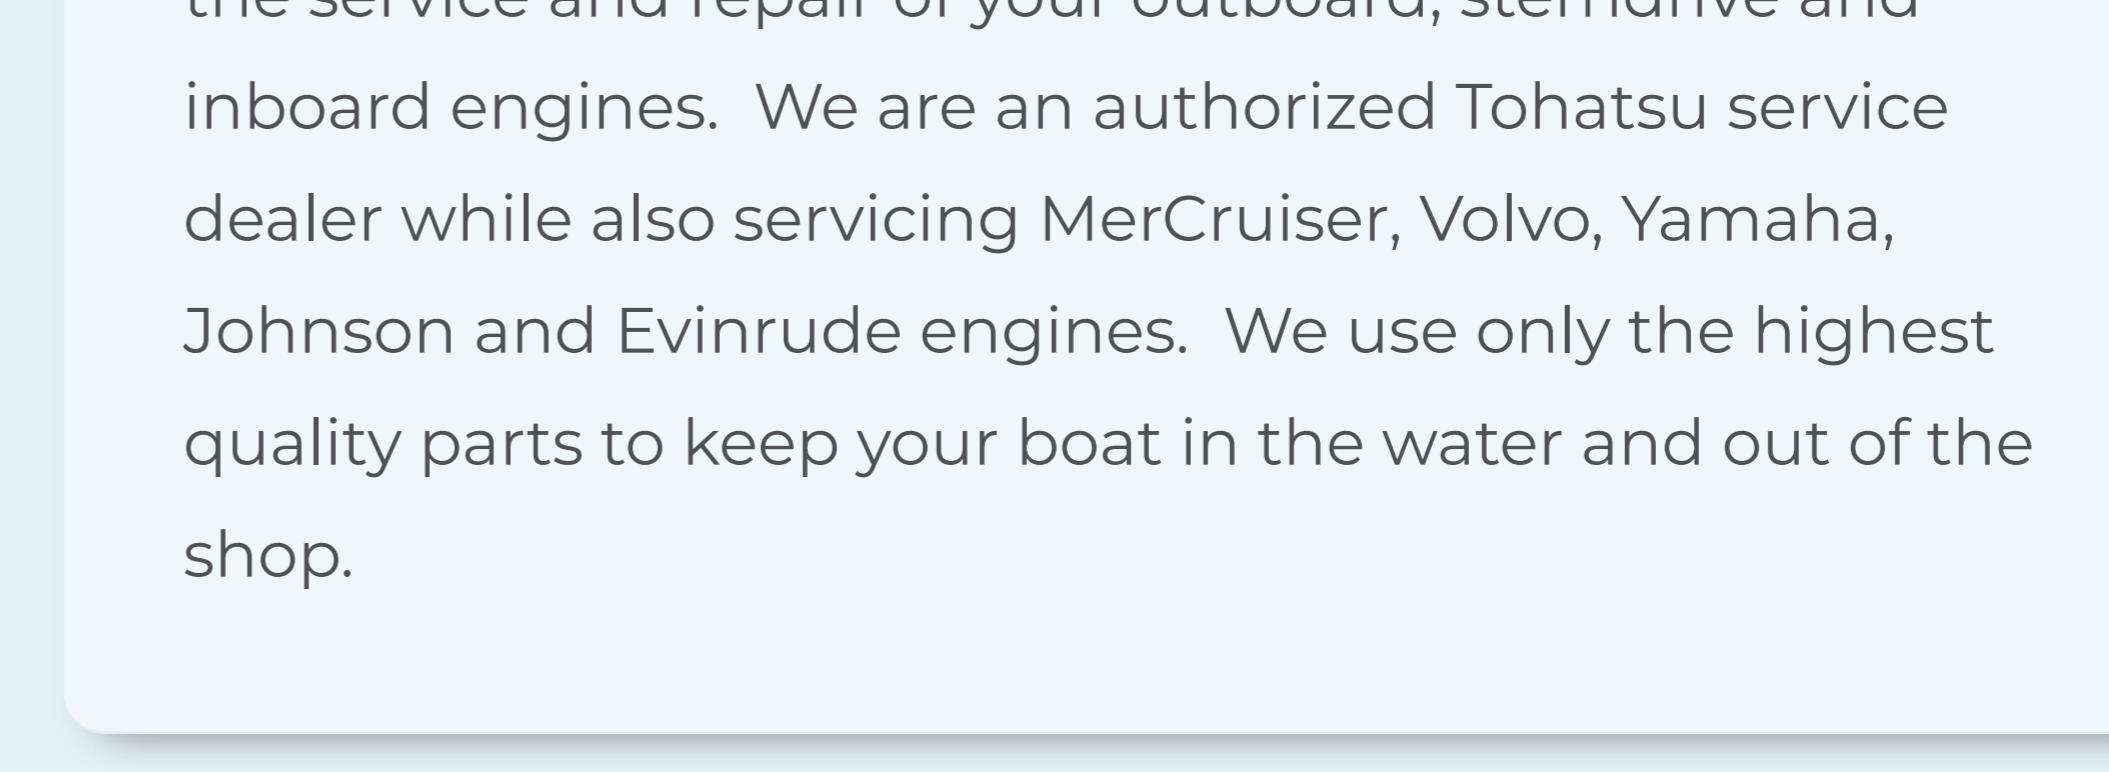

## SERVICES

### Service is in our DNA

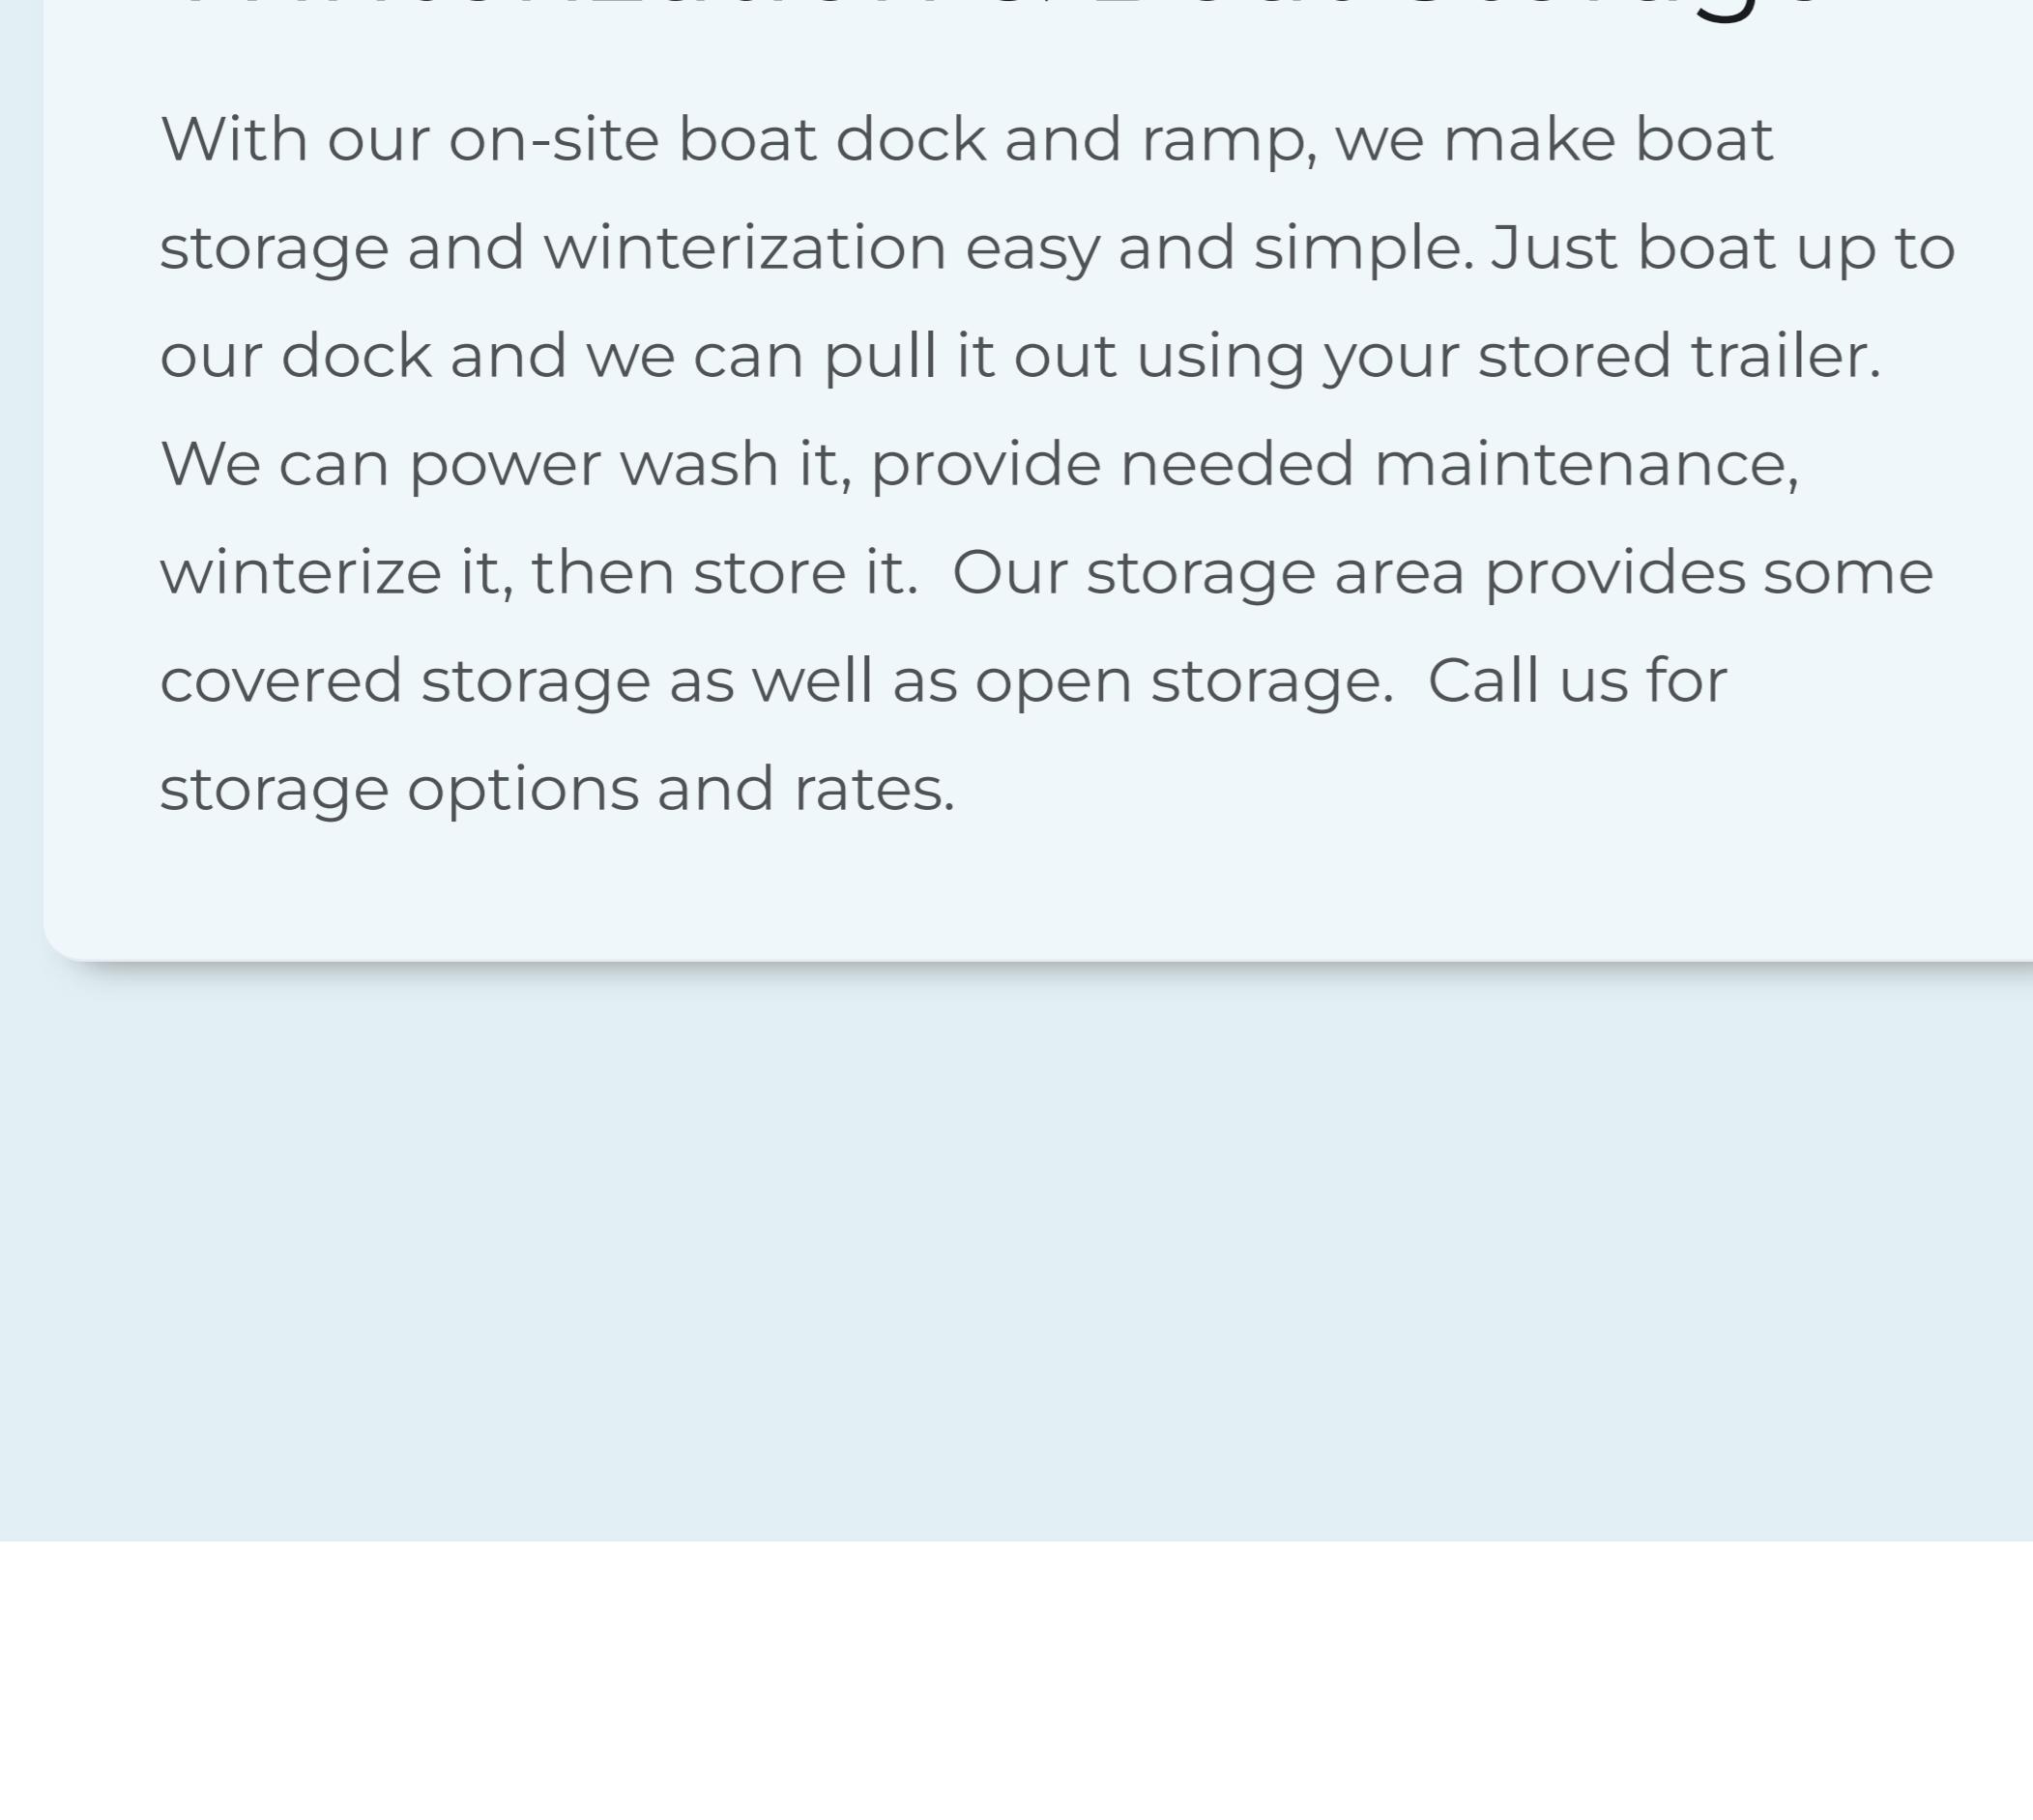

#### Boat & Trailer Repair/Service

We pride ourselves in the repair and on-going maintenance of your boat's equipment, including electrical work and installation of accessories. We provide all parts needed for the repair of your boat or trailer.

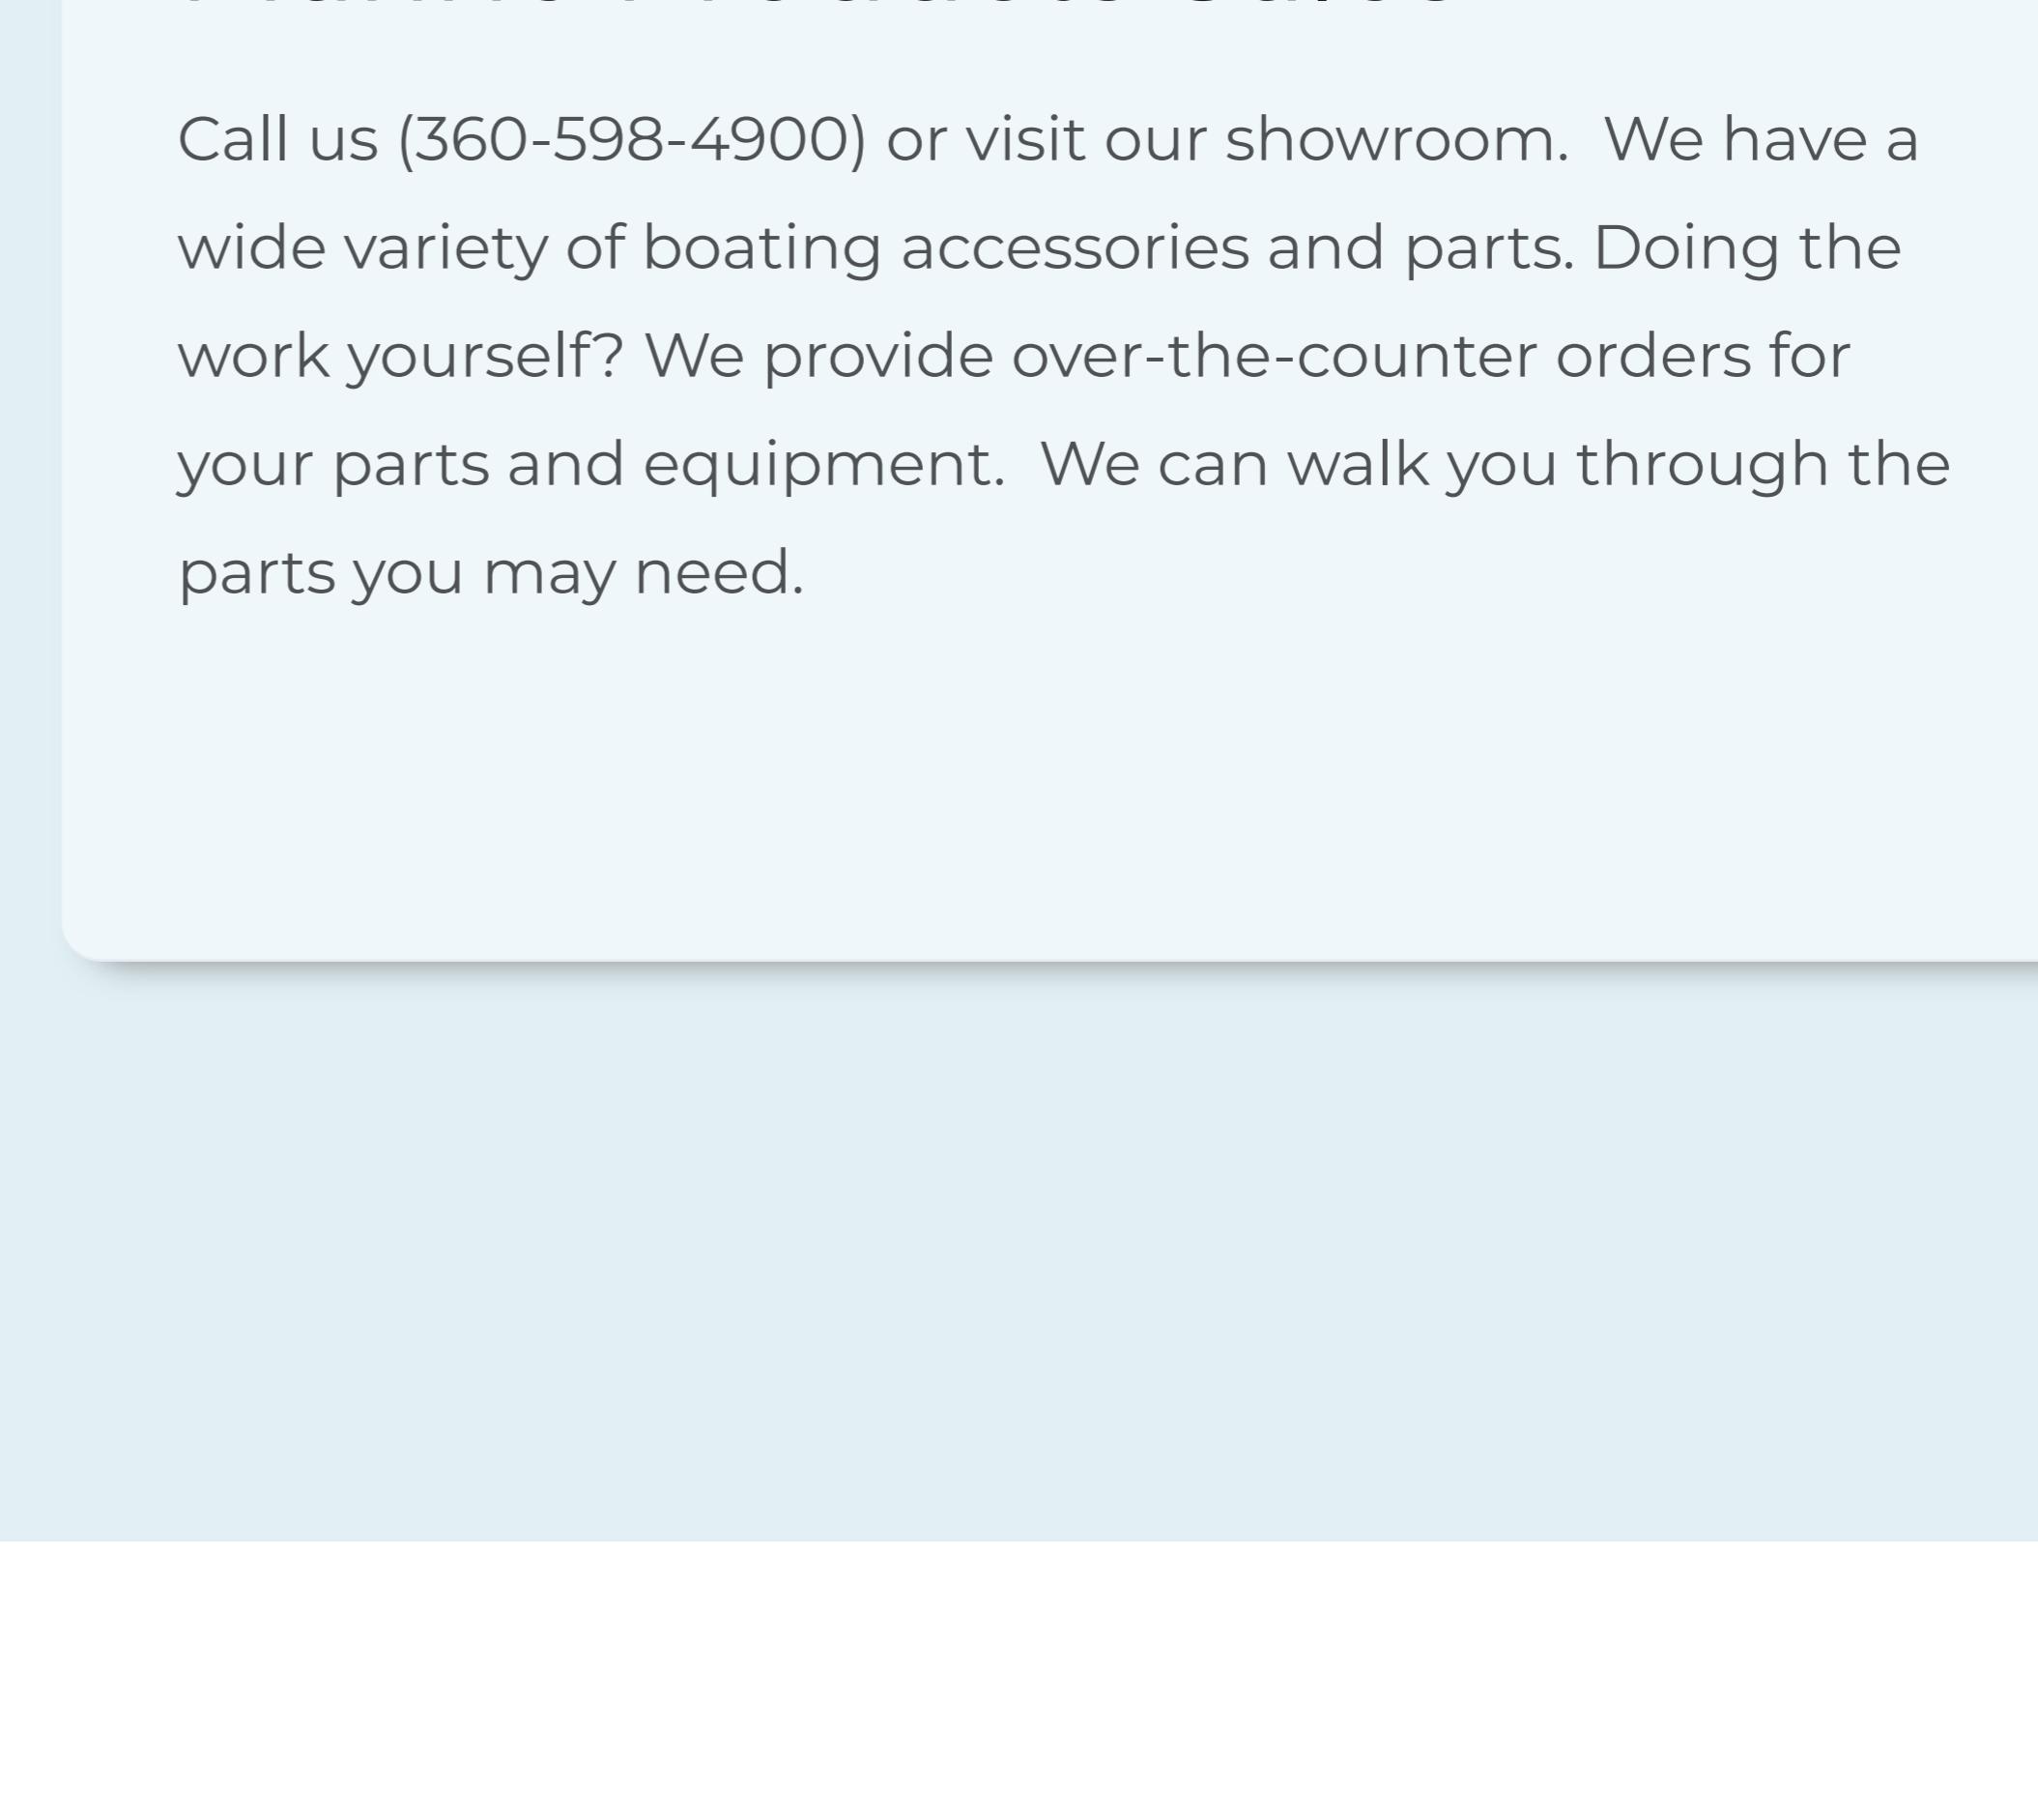

#### Marine Engine Repair

Our technicians bring over 40 years of experience towards the service and repair of your outboard, sterndrive and inboard engines. We are an authorized Tohatsu service dealer while also servicing MerCruiser, Volvo, Yamaha, Johnson and Evinrude engines. We use only the highest quality parts to keep your boat in the water and out of the shop.

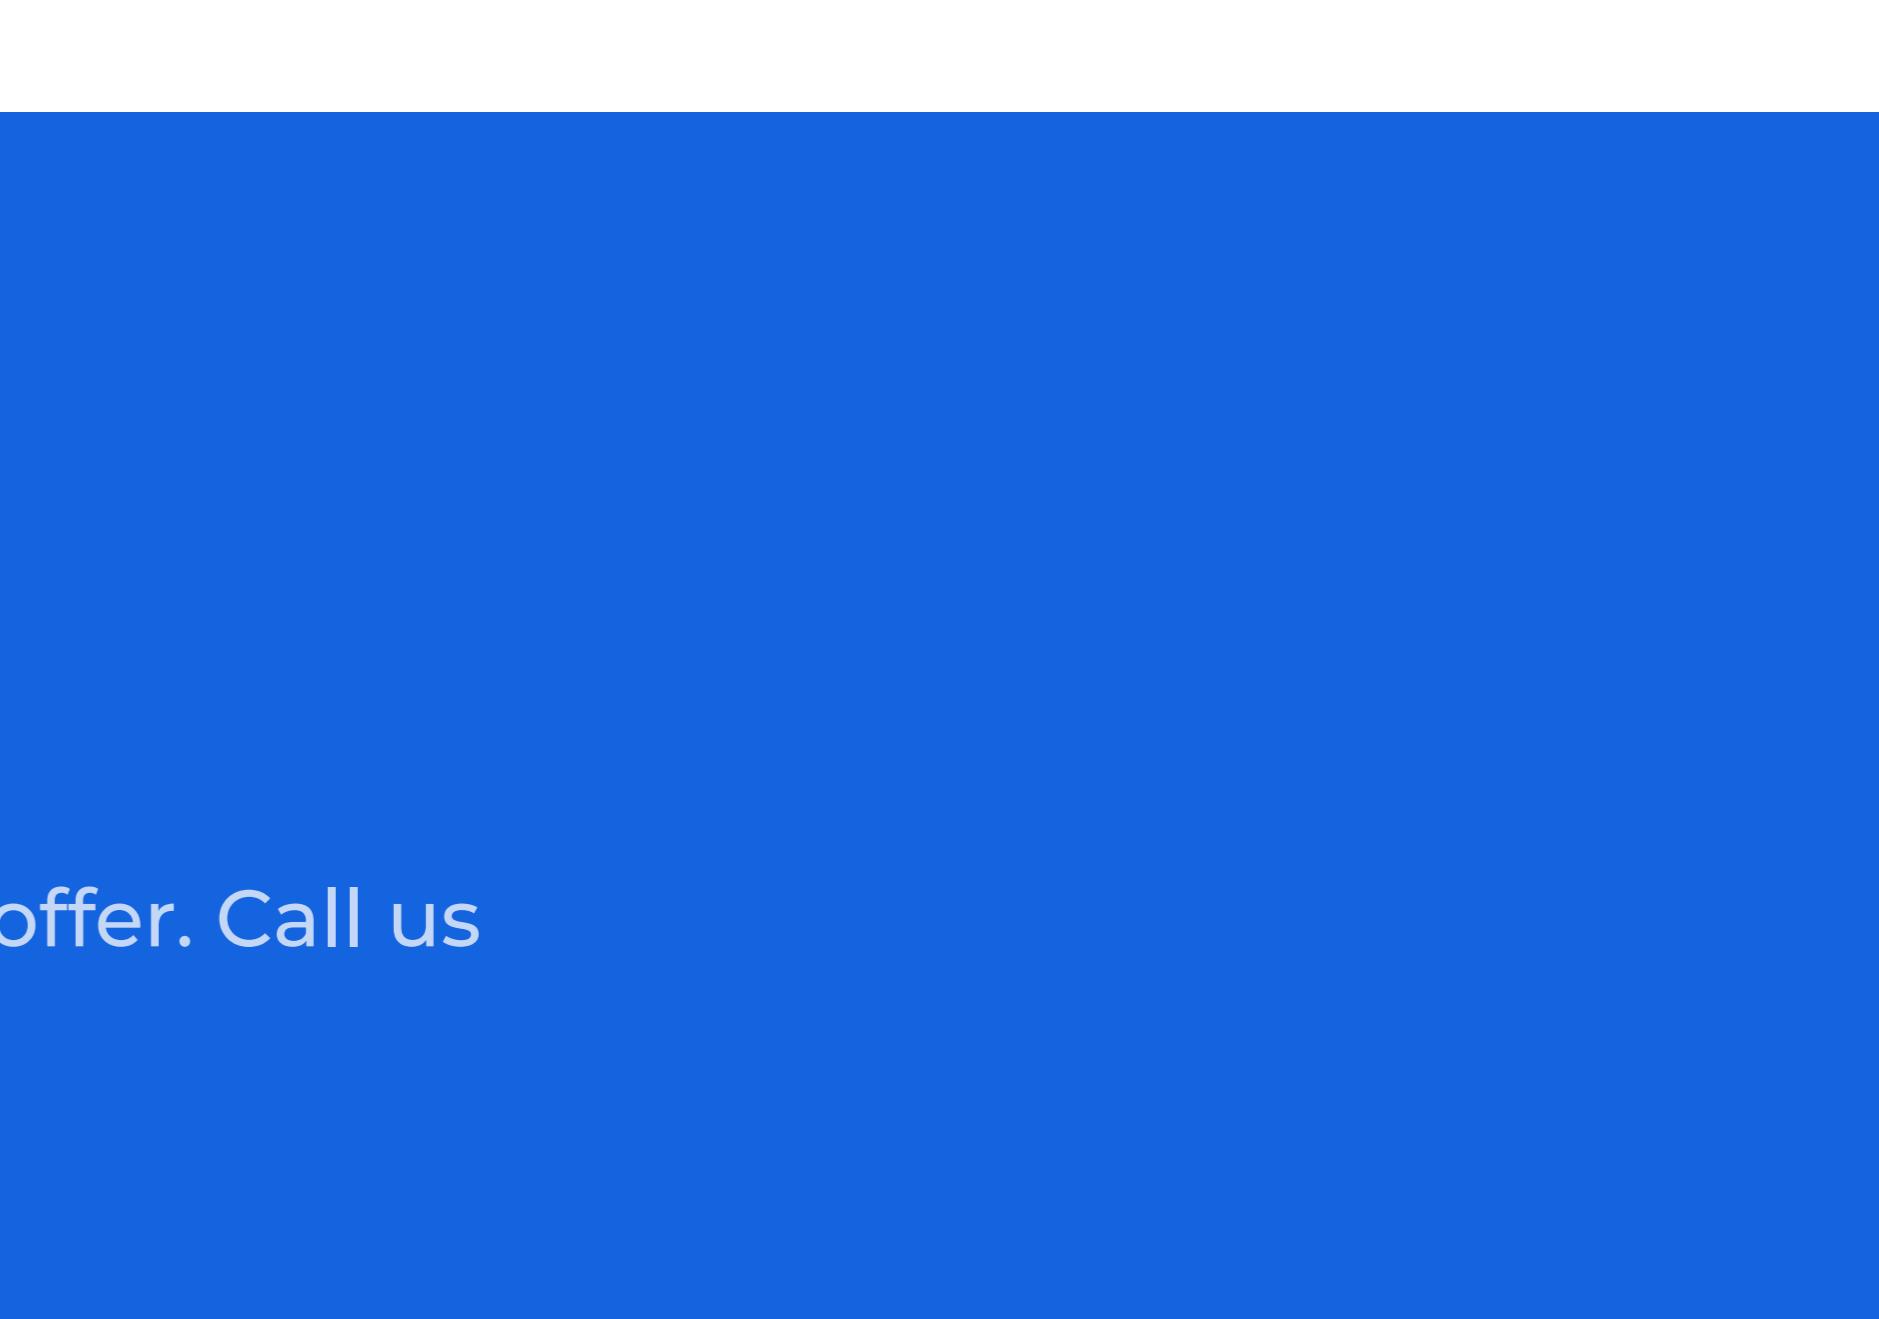

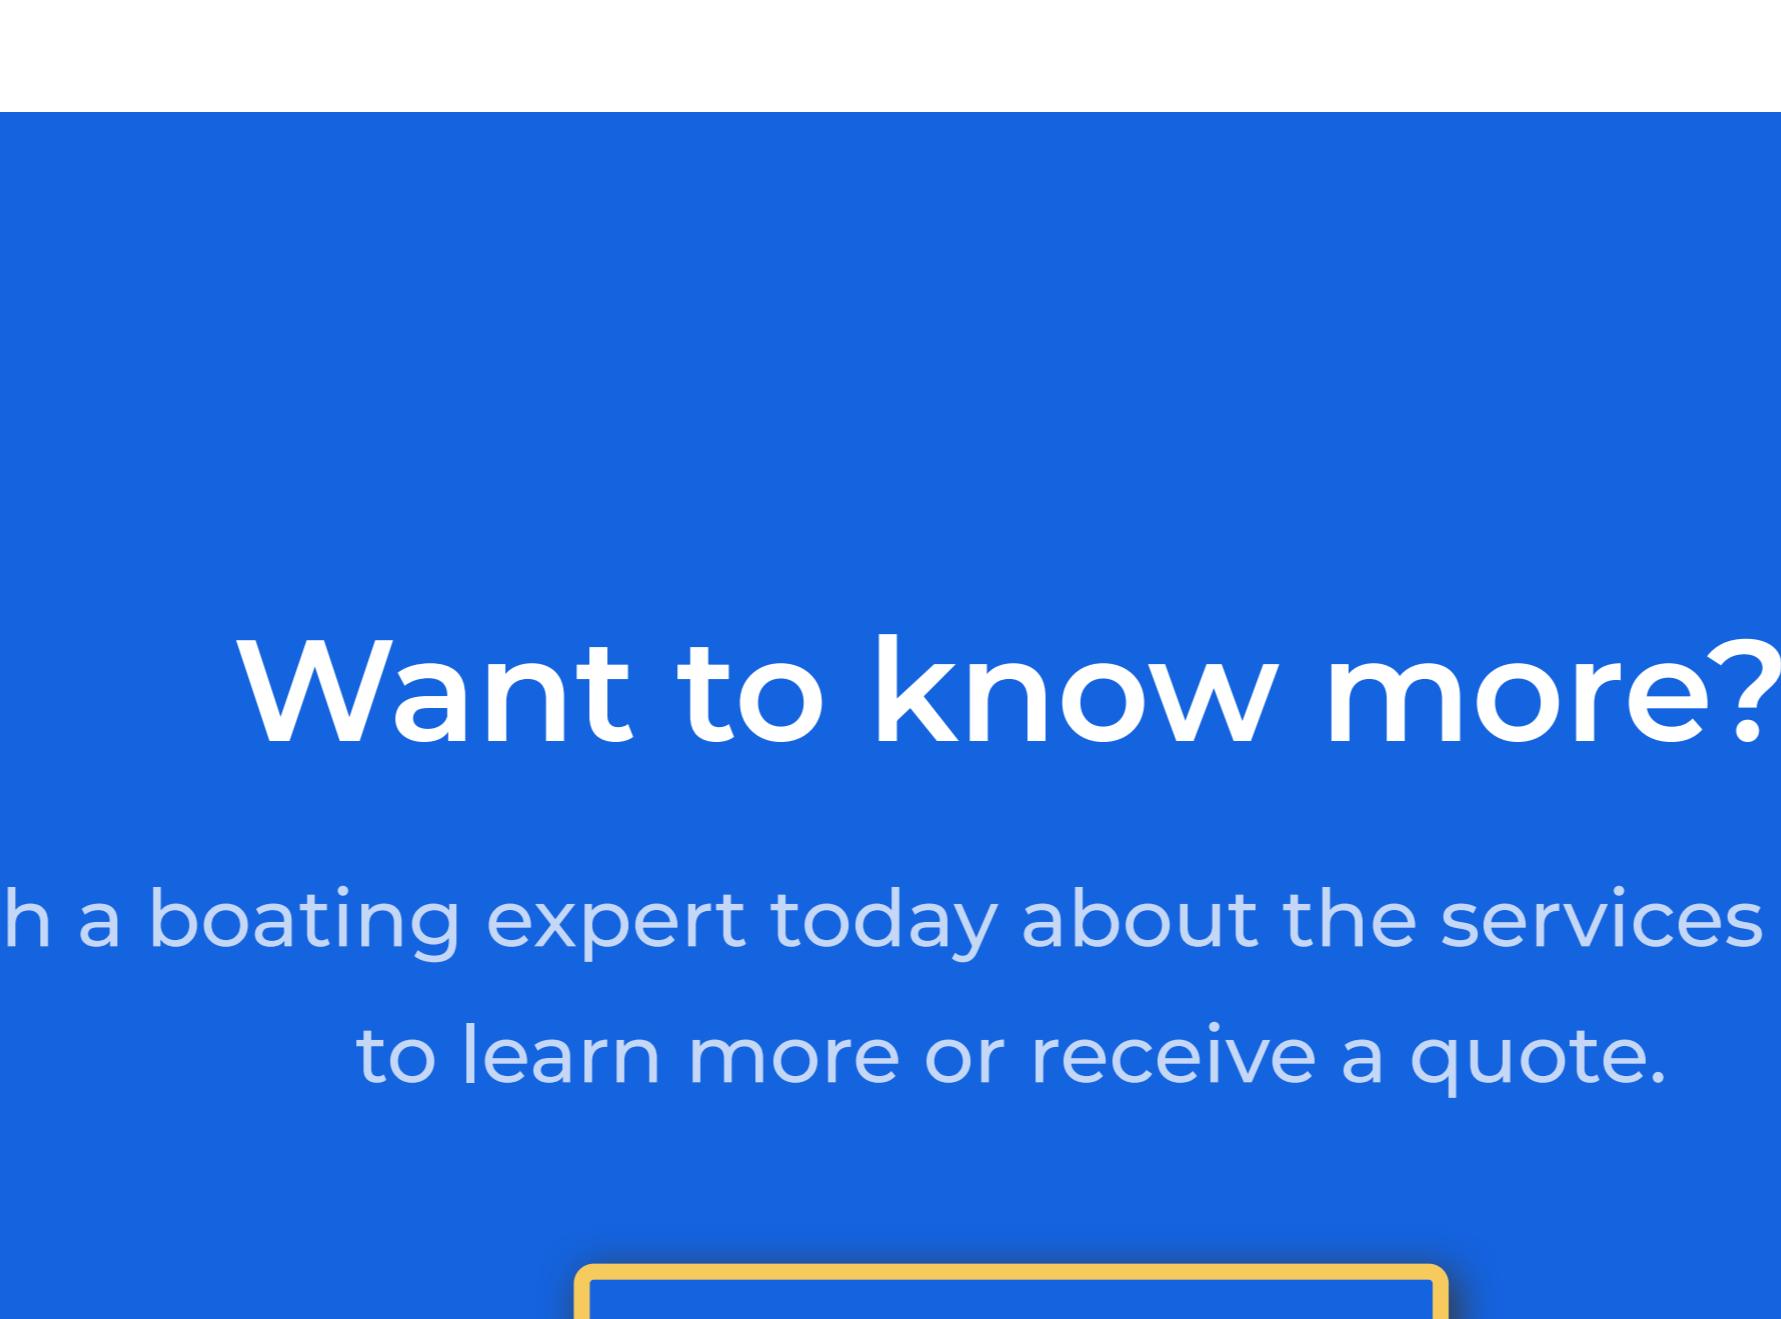

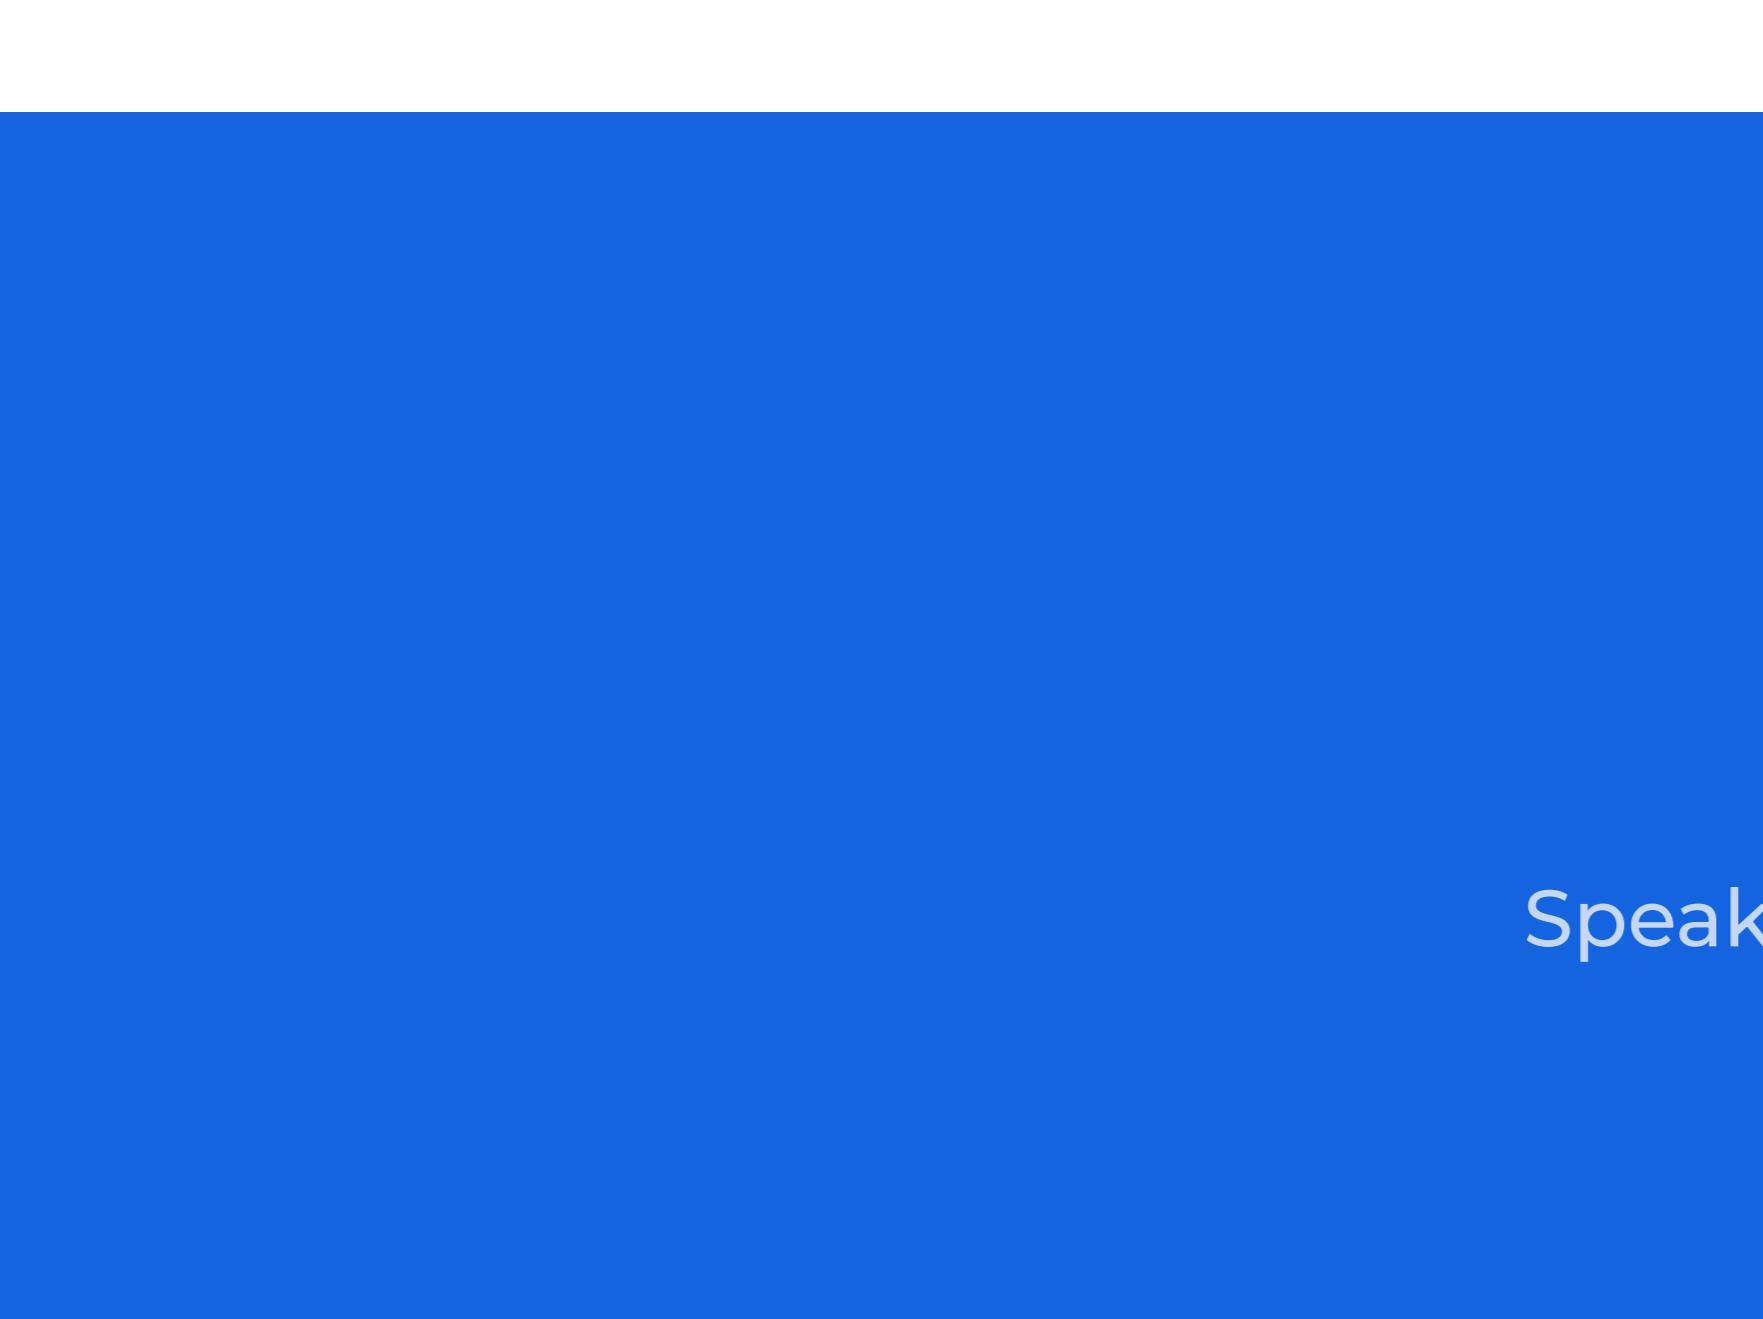

#### Winterization & Boat Storage

With our on-site boat dock and ramp, we make boat storage and winterization easy and simple. Just boat up to our dock and we can pull it out using your stored trailer. We can power wash it, provide needed maintenance, winterize it, then store it. Our storage area provides some covered storage as well as open storage. Call us for storage options and rates.

#### Marine Products Sales

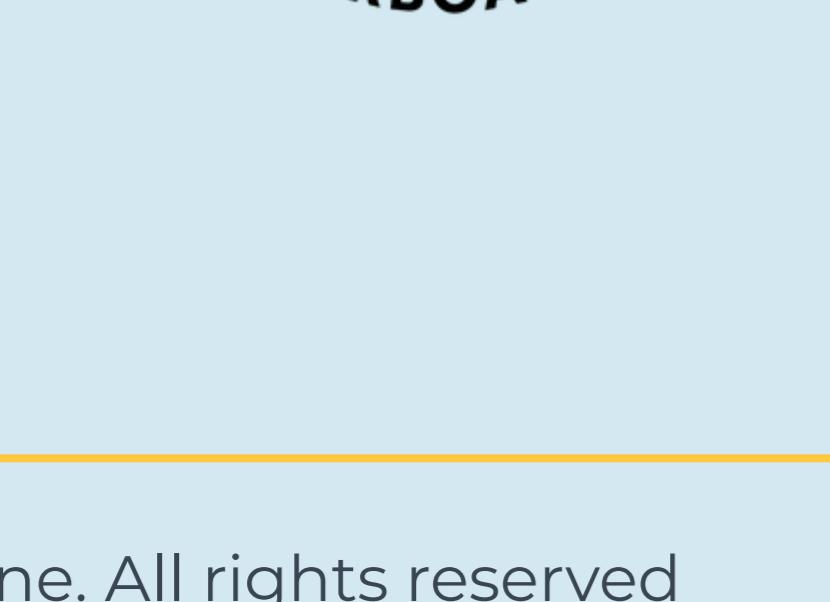

Call us (360-598-4900) or visit our showroom. We have a wide variety of boating accessories and parts. Doing the work yourself? We provide over-the-counter orders for your parts and equipment. We can walk you through the parts you may need.
