# Four Key Areas

We help you prepare for a successful career by focusing on four key areas: Job Market Readiness, Employer Connections, Internships, and Alumni Networking.

### **Job Market Readiness**

The Career Center is equipped to get you job-ready. We help you enter the job market confidently as an employable applicant regardless of your major or previous experience.

**Job Market Readiness** Schedule a Job-Market Readiness Appointment

Alastair McKee | BYU-I Alum | Google

Alastair got a job with Google in advertiser support and strategy after he found a job posting on Handshake and connected with a BYUI alumnus who's also a Google employee.
